THE HON'BLE SRI JUSTICE D.S.R.VARMA

WRIT PETITION No.623 of 2006

ORDER:

The grievance of the petitioner is that even though she has been in possession of the property as an absolute owner the respondents are interfering with her possession and enjoyment of the property and trying to cut away the standing crop.

On the other hand, it is the contention of the learned Government Pleader appearing for the respondents that it was only an assignment land and belongs to the Government and any sale transaction even if made subsequently to the assignment cannot be treated as valid.

However, since these questions are fact based, this Court is not inclined to pass any orders in favour of the petitioner or against the respondents.

Hence, it is suffice to dispose of this petition with liberty to the petitioner to file a detailed petition before the third respondent explaining how she obtained title over the said property, and upon such petition being filed, the third respondent shall consider the same in detail and dispose of the same as expeditiously as possible. Till such time there shall be status-quo for all purposes including dispossession as of date.
